

CONGRATULATIONS, SEDONA FIRE DISTRICT VOTERS

YOU DID THE RIGHT THING

YOU VOTED NO ON THE \$18 MILLION BOND

But we're not quite done yet. Next year, three of the five seats on the Sedona Fire District Governing Board are up for election.

That's a majority.

We will be back in 2018 to begin the process of replacing the current members with candidates who will do their job watching out for your money by providing the best and most efficient service in the district.

Please stay tuned.

In the meantime, here's our final video. Just click on the title to view.
